COMMENTS ON EXAMINER'S INTERVIEW SUMMARY

VIA EFS-WEB
 Commissioner for Patents
 P.O. Box 1450
 Alexandria, VA 22313-1450

Sir or Madam:

Responsive to the Interview Summary mailed on July 14, 2011, and the Examiner's comments in the Interview Summary (the "Examiner's Statement"), Attorney for the Assignee submits the following clarifying remarks. The Examiner's Statement mentions the "Examiner further suggested that the Applicants' look at the reasons for allowance for application 09/604,525 and try to incorporate those limitations into the independent claims since the two applications are related." However, the Examiner's Statement should not be construed as any admission that the present application (serial no. 09/552,073) and application serial no. 09/604,525 are formally related by subject matter or claimed subject matter. At most, both of these applications are co-owned by the same entity, The Western Union Company.

Respectfully submitted

/Christopher J. Chan/
